What a year it has been in 2024. A year of change. A year of rapidly changing workplaces shaped by emerging technologies. A year of spiraling costs and new regulations.

But one thing never changes – people. People remain the core and strength of our local businesses, and it is people (not applications) which are the greatest source of innovation, productivity and worth.

From our people to yours – we at Quartz Consulting take this opportunity to thank you for your ongoing support and your business in 2024. We also wish you a very happy and festive season, and peace and prosperity in the year ahead.

A quick reminder that our office will close at the end of **Friday, 20th December 2024** and will re-open on **Monday, 6th January 2025** when we will be back supporting you and all of your Human Resources/Workplace Relations needs.

Of course, for urgent matters over the office close-down period – please contact our Managing Director Tracey Doedens directly on mobile 0408 287 757.

We head into 2025 with a sense of thankfulness for our loyal and valued clients, and with optimism for the coming year and the opportunities it will bring to us all. Thank you for your support and wishing you a wonderful year ahead in the New Year.

With thanks,

Tracey Doedens
